The Family Giggle Challenge

Can your family keep a straight face? For kids ages 2 to 6.

Grown-up reads. Little listener tries not to smile.

Swap roles if you like. Anyone can pass, and there are no losing punishments. The only prize is bragging rights (and the certificate on the next page).

1 Serious narrator

Say "This is a very serious banana"
in your most serious voice.

2 Tiny giant

Say "I am the biggest giant in the world"
in your tiniest voice.

3 Royal announcement

Announce "His Majesty has lost his left sock"
like a royal proclamation.
